

CAREER SERVICES

**SONORAN
DESERT
INSTITUTE**

OUR DEPARTMENT

The Career Services Department assists students with career development. This may include obtaining information on potential employers and current opportunities for employment as well as hiring practices and assisting students in their transition from school to career.

ABOUT SDI

Sonoran Desert Institute is DEAC accredited offering online firearms-specific degree and certificate programs.

SDI PROGRAMS

Associate of Science in Firearms Technology degree (ASFT)

Certificate in Firearms Technology – Gunsmithing (CFTG)

Certificate in Unmanned Technology – Aerial Systems (CUT-AF)
