*** Students may complete the program in less time based on year-round enrollment opportunities. Part-time students may take longer to complete.

Prior Balance

Students are required to maintain good standing on their account ledger. The school reserves the right to deny future course registration to students with a prior balance. The following policies are in place to support this requirement.

Continuing Students – All students with continuous enrollment must have their prior balance paid in full OR agree to a monthly payment plan with the initial payment made prior to the next semester OR secure financial aid awards or other funding that will cover the balance.

Re-Entry Students – All students that have withdrawn and are re-entering must have their prior balance paid in full OR agree to a monthly payment plan with the initial payment made prior to the re-entry date.

Program Changes/Additions – All students transferring to a new program or graduating and starting a new program must have their prior balance paid in full prior to starting the new program.

Third Party Collections Agency

SDI reserves the right to send any unpaid balances to a third-party collections agency. Once sent to collections the debt must be settled with the collections agency before re-entering or re-enrolling at SDI.

CALIFORNIA STUDENT TUITION RECOVERY FUND

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition.

You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market Blvd., Suite 225, Sacramento, CA 95834, (916) 574-8900 or (888) 370-7589.
