SDI LEADERSHIP

TRACI LEE

SDI President

Message from SDI President, Traci Lee

Hello and welcome to the Sonoran Desert Institute graduation ceremony! Knowing we have students all over U.S., and potentially beyond, SDI hosts ceremonies virtually to optimize the opportunity for all of our eligible graduates to participate in this event. I think I speak for all our staff and faculty when I say that seeing our students combine their passion for firearms and drones with a college level education is tremendously rewarding and demonstrates something that is unique to SDI!

We are pleased that you all have chosen to participate in this ceremony to commemorate your personal achievements and I personally welcome each of you to this virtual commencement event to honor this educational milestone! It's a major accomplishment that comes with a significant commitment of time and effort from each student and the support from family, friends, and others that may have made compromises during your studies.

Today, we are recognizing our graduates for completing the requirements associated with each program of study and any honors received as a part of this achievement! Congratulations on your educational accomplishment and our sincerest wishes for your ongoing success in the opportunities that lie ahead!

JARRED MCNEELY

Chief Academic Officer,
Dean of the School of Firearms Technology

Message from the Chief Academic Officer and Dean, Jarred McNeely

Graduates, congratulations on the completion of your education, and welcome to many new opportunities. Today marks the celebration of your dedication, hard work, tenacity, and commitment. You join a group of individuals in various locations. But while this group may be spread over great geographical distances, you all embody the spirit of accomplishment that is reserved for those who seek to further their education. Remember that education is always a door opened and a world expanded. Walk through the door, and remember, no matter where you may be, an open mind is a mind always learning.

Education is also a personal experience for each of you that will lead you to new endeavors or greater things to learn. I admire each of you and look forward to what you will accomplish with your newly learned skills and knowledge. I encourage you to find your place and accomplish your goals in these growing industries.

TREY SPRINKLE

Co-founder and Chief Executive Officer,
EchoMAV Technologies
"Last American Outlaw"

Trey Sprinkle is the Co-founder and CEO of Outlaw Solutions and EchoMAV. Prior to stepping into his role as CEO, Trey spent over two decades honing his expertise in building and managing businesses. From humble beginnings as a landscaper in the Arizona heat to working as an insurance adjuster during the devastating aftermath of Hurricane Katrina, Trey has consistently demonstrated his creative and entrepreneurial spirit.

In addition to managing a drone and defense company, he has also built a successful YouTube channel, 'American Outlaw,' which boasts nearly 1 million subscribers. Trey is committed to excellence as he drives Outlaw Solutions and EchoMAV towards sustainable growth, with the goal of becoming a leader in the field.
